

October 11, 2023

Dear Yamaguchi Junior College

Hiroshima Regional Immigration Services Bureau

### **2023 Selection Results of Appropriate Educational Institutions**

Your school has been selected as an “appropriate school (Class D)”, as it has been recognized to be managing the enrollment of international students in an appropriate manner.

In the case of applying for COE, this will come into effect for the students enrolling from April 2024. In the case of changing the status of residence or extending the period of stay, this will be applied from January 2024.

If you have any questions, feel free to contact us.

You can find information about the selection of educational institutions on the site of Immigration Services Agency.

The detailed selection results are as follows :

The name of educational institution: Yamaguchi Junior College

The problematic enrollment rate 0.00%

The number of problematic enrolled students 0.00

(The breakdown of the problematic enrolled students)

- Persons who stayed illegally.
- Persons whose application for extension of period of stay has been rejected.
- Persons whose status of residence has been revoked.
- Persons for whom a deportation order has been issued.
- Persons whose permission to engage in activities other than that permitted under the status of residence has been revoked.
